

AT-A-GLANCE

The Company

The MIL Corporation (MIL) was established in 1980 to provide agencies of the Federal government with outstanding professional services in the areas of finance, information technology management, and C4 Engineering Services. We are dedicated to providing high-quality, on-site professional services to our clients. As a result, we have experienced steady growth for more than 30 years – to our current strength of more than 450 professionals.
